

Community Planning Partnership Governance Framework – Membership update noted etc.

2 There was submitted a report by the Council's Executive Director of Corporate Services regarding an update on the membership of the Partnership, in terms of the Community Planning Partnership Governance Framework, advising

- (1) of the vacant community representative positions on the Area Partnership and that nominations had been sought from Camlachie Community Group, Reidvale Housing Association and Gallowgate Tenants and Residents Group;
- (2) of the provision for Third Sector representation on the Area Partnership;
- (3) of the process and timescale for filling the community representative positions on the North East Sector Partnership; and
- (4) of the ongoing work relating to the register of members interests.

After consideration, the Partnership

- (a) noted the report;
- (b) noted that Calton Community Council was reported as still active and that representation would again be sought;
- (c) agreed a nomination would be sought from Gallowgate Transformational Regeneration Area Group as Gallowgate Tenants and Residents Group had disbanded; and
- (d) discussed the potential for a youth representative, possibly from the Scottish Parliament Youth Parliament, although there was no provision for a youth representative in the governance framework.
