

Third Sector representation - Update noted.

3 There was heard a verbal update by Mr Andrew McMillan, Partnership and Development, advising the Partnership that

- (1) the North East Voluntary Sector Network had held an election process last year to appoint a member from the Voluntary Sector Network (in conjunction with the Third Sector Forum) to the Area Partnership until August 2014;
- (2) the Network was currently undertaking a further election process to identify representation from the Third Sector until May 2017; and
- (3) existing arrangements should be continued until the election process had been concluded.

After consideration, the Partnership approved the continuation of the existing arrangements until the election process for a new representative from the Voluntary Sector Network (in conjunction with the Third Sector Forum) had been completed.
