

## **Neighbourhood Management – Crime within Calton Ward - Update noted – Request to Chief Constable, Police Scotland**

**2** There was submitted and noted a report by Police Scotland updating the Partnership of the progress of the Multi Agency Tasking and Coordinating (MATAC) Group in tackling crime within the Calton ward, advising of

- (1) the work being undertaken by Police Scotland in Partnership with Community Safety Glasgow to tackle a range of crime related issues in Calton Ward, as detailed in the report; and
- (2) the deployment of targeted resources within specific locations in the ward, as detailed in the report.

After consideration, the Partnership

- (a) noted the report;
- (b) expressed concerns regarding the significant under reporting of crime within the ward which has been shown to have a direct correlation in determining the level of resources deployed; and
- (c) requested that Police Scotland prepare an action plan to address ongoing anti-social behaviour within the ward.
