

## **Neighbourhood Management - Street cleansing community feedback noted – Request to Chief Constable, Police Scotland**

**4** There was submitted a report by the Executive Director of Corporate Services providing results of community feedback regarding street cleansing within the ward, advising

- (1) of the community consultation and engagement exercise;
- (2) that analysis of the questionnaires highlighted other issues identified by the community;
- (3) that the Local Operational Working Group (LOWG) will be responsible for the delivery of actions identified within the report; and
- (4) of identified priorities and streets, as detailed in the appendix.

After consideration, the Partnership

- (a) noted the report;
- (b) agreed that they would like the LOWG to target each of the identified priorities in order as detailed in the appendix; and
- (c) requested that Police Scotland would liaise with Community Safety Glasgow and submit a report to the next meeting on crime within the ward, with a focus on anti-social behaviour.
