

Pacific Quay Masterplan 2011 noted.

8 There was submitted a report by the Executive Director of Development and Regeneration Services regarding the Pacific Quay Masterplan 2011, advising that

- (1) the Pacific Quay area had been the subject of several masterplanning exercises in recent years which were now no longer considered viable as Scottish Enterprise (SE) had consolidated the vast majority of the underdeveloped land into its ownership;
- (2) SE had appointed 7N Architects to undertake a review of all its landholdings at Pacific Quay and to produce a masterplan to encompass current market conditions; and
- (3) the Pacific Quay Masterplan 2011 built upon the principles of previous masterplans for the area whilst outlining a phased, achievable scale of development which was appropriate for the current economic climate.

After consideration, the committee noted the Pacific Quay Masterplan 2011.
